

IT'S AN OBSTACLE COURSE OUT THERE!

Sometimes life looks like an obstacle course, and it seems easier to quit than to struggle through it. But remember the best things in life are worth the effort. You don't have to go it alone! You can trust God to help you, even when things seem to be going wrong.

At each obstacle, look up the promise from God's Word and then write a short message that will help this bike rider to trust God to help him go through the obstacles instead of giving up.

My homework is too hard this year.

*Philippians 4:13*

How can you help but watch this stuff?

*Psalms 23:3*

It's not easy to stand up to the crowd.

*Isaiah 41:10*

I don't know anyone, and I'm afraid to try out.

*2 Timothy 1:7*

PRAISE GOD!!
